HAIR

From twisted strands, a loose bun with side-swept bangs, a simple yet elegant high ballerina up-do, the ultra-polished look of a sculpted bun, or a half-up half-down with ringlets style, your options are endless. Charming braids, elegant ponytails, short or long, curly or straight, we will enhance your natural beauty and individuality to make certain that your special moments and milestones are perfect and perfectly suited to you.

MAKEUP

Choosing the perfect makeup style is just as important as your hair. We'll help you decide what's best for you, from a natural look for the bride that wears little makeup, to looks for a bride that wants a bit more flare. Whatever you choose, be sure to schedule a makeup trial before the wedding day so that you are prepared. Make every moment as beautiful as you are.

SKIN

Have beautiful skin on your special day with our pre-wedding non-invasive treatments and procedures. We use nothing but the best herbal sources for our facials and treatments. We recommend scheduling a series of treatments about three months prior to the day of your wedding to create healthy, smooth, and vibrant skin. You will also receive recommendations for the best daily use products to enhance your skincare routine. You will be amazed with your results.

CHECKLIST

Look your most beautiful on your big day. From the exquisite, glowing beauty of a winter wedding, to a fresh, fairytale finish, combined with one of our awesome bridal hairstyles and great skin, you'll look beautiful on your wedding day.
